Report on the Financial Report

We have audited the accompanying financial statements, being special purpose financial report, of the Electrical Trades Union of Employees Queensland (the Union), which comprise the statement of financial position as at 31 December 2014, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies, other explanatory notes and the committee of management's declaration.

Committee of Management responsibility for the Financial Report

The committee of management of the Union is responsible for the preparation of the financial report that gives a true and fair view and has determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Industrial Relations Act 1999* and is appropriate to meet the needs of the members. The committee of management's responsibility also includes such internal controls as the committee of management determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee of management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Matters Relating to the Electronic Presentation of the Audited Financial Report

This auditor's report relates to the financial report of the Union for the year ended 31 December 2014 included on the Union's website. The Union's Committee of Management is responsible for the integrity of the Union's website. We have not been engaged to report on the integrity of this website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to / from these statements. If users of this report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.

Independence

In conducting our audit, we followed applicable independence requirements of Australian Professional Ethical Pronouncements.

Auditor's Opinion

In our opinion:

- (1) The financial statements of the Electrical Trades Union of Employees Queensland are in accordance with the *Industrial Relations Act 1999*, including:
 - (i) giving a true and fair view of the Union's financial position as at 31 December 2014 and of its performance for the year ended on that date; and
 - (ii) complying with Accounting Standards in Australia (including the Australian Accounting Interpretations) to the extend disclosed in Note 1.
- (2) The Union has kept satisfactory accounting records for the financial year including records of:
 - (i) the sources and nature of the Union's income, including membership subscriptions and other income from members; and
 - (ii) the nature of and reasons for the Union's expenditure.
- (3) All the information and explanations that officers or employees of the Union were required to provide have been provided;
- (4) The financial disclosure statement and mid-year financial disclosure statement for the year were prepared in accordance with the *Industrial Relations Act 1999*;
- (5) The Union has the policies it is required to have in place under section 553A(1) of the *Industrial Relations Act 1999*;
- (6) The Union's spending for political purposes from 1 July 2013, did not contravene the requirements of section 553F of the *Industrial Relations Act* 1999; and
- (7) There was no deficiency, failure or shortcoming in any matters referred to in (1) to (6) above.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee of management's financial reporting responsibilities under the *Industrial Relations Act 1999*. As a result, the financial report may not be suitable for another purpose.

COMMITTEE OF MANAGEMENT OPERATING REPORT FOR THE YEAR ENDED 31 DECEMBER 2014

Principal Activities

The principal activity of the Electrical Trades Union of Employees, Queensland was to act on behalf of members in pursuit of the following:

- to enrol in the ETU-Q persons eligible to be members;
- to advance the interest of members and secure appropriate classification structures with appropriate rates of pay that adequately reflect the training and skills of members and the conditions and circumstances in which members are employed;
- to ensure adequate training is available for members including the maintenance of the principles of the apprenticeship system;
- to provide legal protection for members with respect to industrial and work injury related matters;
- to assist members in the event of unemployment, sickness, injury, mortality and industrial dispute;
- to establish Sub-Branches and Sections of the Union and organise members into Sub-Branches and Sections throughout Queensland; and
- to advance the living and working conditions of workers and their families, and to assist kindred unions and other bodies having objects similar in whole or in part to the objects of the Union.

Operating Results

The surplus for the financial year amounted to \$298,241 (2013: deficit \$290,243).

Review of Operations

There were no significant changes in the nature or the results of the operations during the year.

After Balance Date Events

No matters of circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the ETU-Q, the results of those operations or the state of affairs of the ETU-Q in future financial years.

Future Developments

Likely developments in the operations of the ETU-Q or the expected result of those operations in future financial years have not been included in this report as such information is likely to result in unreasonable prejudice to the ETU-Q.

Environmental Issues

The ETU-Q's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Members Right to Resign

The right of members to resign from the ETU-Q is set out in the Rules of the Electrical Trades Union of Employees Queensland.

ACCOUNTING OFFICER'S CERTIFICATE FOR THE YEAR ENDED 31 DECEMBER 2014

I, Peter Simpson, being the Accounting Officer responsible for keeping the accounting records for The Electrical Trades Union of Employees, Queensland Branch ("ETU-Q"), certify that as at 31 December 2014 the number of financial members of the ETU-Q was 13,993 excluding honorary and lifetime members and the number of unfinancial members was 1.424.

In my opinion,

- (i) the attached financial statements show a true and fair view of the financial affairs of the ETU-Q as at 31 December 2014;
- (ii) a record has been kept of all moneys paid by, or collected from, members if any, and all moneys so paid or collected have been credited to the bank account to which those moneys are to be credited, in accordance with the rules of the ETU-Q;
- (iii) before any expenditure was incurred by the ETU-Q, approval of the incurring of the expenditure was obtained in accordance with the rules of the ETU-Q:
- (iv) with regard to funds of the ETU-Q raised by compulsory levies or voluntary contributions from members, or funds other than the General Fund operated in accordance with the rules of the ETU-Q, no payments were made out of any such fund for a purpose other than the purpose for which the fund was operated, and if any such payment was so made, it was approved in accordance with the rules of the ETU-Q;
- (v) no loan or other financial benefit was granted to employees or persons holding office in the ETU-Q; and

(vi) the register of members of the ETU-Q was maintained in accordance with the *Industrial Relations Act 1999*.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The Electrical Trades Union of Employees Queensland ("ETU-Q") is a trade union which is incorporated and domiciled in Australia.

Basis of Preparation

The committee of management has prepared the financial statements on the basis that the ETU-Q is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Industrial Relations Act 1999*. The ETU-Q is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Industrial Relations Act 1999* and the significant accounting policies disclosed below, which the committee has determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

Reporting Basis and Conventions

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied. The amounts presented in the financial statements are in Australian dollars and have been rounded to the nearest dollar.

The following is a summary of the material accounting policies adopted by the ETU-Q in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

The financial statements were authorised for issue on 23 March 2015 by the Committee of Management of the Union.

(a) Impairment of Assets

At each reporting date, the ETU-Q reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the ETU-Q would, if deprived of the asset, replace its remaining future economic benefits, value in use is the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the ETU-Q estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(b) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within financial liabilities in current liabilities on the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(c) Revenue

Revenue is recognised to the extent that it is probable that the benefits will flow to the ETU-Q and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised.

(I) Interest Income

Interest revenue is recognised when the ETU-Q's right to receive the payment is established. It is recognised using the effective interest rate method, which, for floating rate financial assets is the rate inherent in the instrument.

(li) Levies

Levies are recognised when the right to receive the levy has been established.

(lii) Other Revenue

Other revenue is accounted for on an accrual basis.

All revenue is stated net of the amount of goods and services tax (GST).

(d) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(e) Income Tax

The ETU-Q is exempt from income tax by virtue of s50-15 of the *Income Tax Assessment Act* 1997.

(f) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less any accumulated depreciation and impairment losses.

Land and Buildings

Freehold land and buildings are shown at cost less subsequent depreciation for buildings.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Committee of Management to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(f) Property, Plant and Equipment (Continued)

Plant and equipment (Continued)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the ETU-Q and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets including building and capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over the asset's useful life to the ETU-Q commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Office Equipment	20%
Motor Vehicles	10-30%
Buildings	4%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

(g) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the ETU-Q are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the ETU-Q will obtain ownership of the asset or over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(h) Finance costs

Finance costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use of sale.

All other finance costs are recognised in income in the period in which they are incurred.

(i) Trade and Other Receivables

Trade and other receivables include amounts due from customers for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Trade and other receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(a) for further discussion on the determination of impairment losses.

(j) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Union during the reporting period which remain unpaid. The balance is recognised as a current liability with the amount being normally paid within 30 days of recognition of the liability.

(k) Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(I) Critical Accounting Estimates and Judgments

The Committee of Management evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the ETU-Q.

Key estimates — Impairment

The Committee of Management assesses impairment at each reporting date by evaluating conditions specific to the ETU-Q that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2014

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(m) New, Revised or Amending Accounting Standards and Interpretations

The Union has adopted all of the new, revised or amended Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

(n) New Accounting Standards for Application in Future Periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Union. The Union has decided not to early adopt any of the new and amended pronouncements. The Union's assessment of the new and amended pronouncements that are relevant to the Union but applicable in future reporting periods is set out below:

AASB 9: Financial Instruments (December 2010) and associated Amending Standards (applicable for annual reporting periods commencing on or after 1 January 2017).

These Standards will be applicable retrospectively (subject to the provisions on hedge accounting outlined below) and include revised requirements for the classification and measurement of financial instruments, revised recognition and derecognition requirements for financial instruments and simplified requirements for hedge accounting.

The key changes that may affect the Union on initial application of AASB 9 and associated Amending Standards include certain simplifications to the classification of financial assets, simplifications to the accounting of embedded derivatives, and the irrevocable election to recognise gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. AASB 9 also introduces a new model for hedge accounting that will allow greater flexibility in the ability to hedge risk, particularly with respect to hedges of non-financial items. Should the entity elect to change its hedge policies in line with the new hedge accounting requirements of AASB 9, the application of such accounting would be largely prospective.

Although the Committee of Management anticipate that the adoption of AASB 9 may have an impact on the Union's financial instruments, including hedging activity, it is impracticable at this stage to provide a reasonable estimate of such impact.
